

OAKWOOD INDUSTRIES, LLC

*Crafted in Missouri.
Trusted across America.*

CRAFTED FOR GENERATIONS

Oakwood Industries was founded in 1987 with a commitment to supporting family, craftsmanship, and quality furniture built to last. What began as a small family business has grown into a company known for exceptional workmanship and lasting relationships with customers across the country.

From traditional to modern styles, Oakwood creates furniture designed to fit naturally into the home while highlighting the beauty of solid Oak, Hickory, Cherry, Walnut and Maple. Each piece is carefully crafted using time-honored techniques and hand-selected hardwoods chosen for their quality and character.

Built for everyday living and made to last for generations, Oakwood furniture is backed by a 10-year warranty and a continued dedication to craftsmanship, comfort, and enduring design.

THE DETAILS MATTER

Tables

Oakwood tables are built for everyday living with solid wood skirting, durable catalyzed finishes, and self-storing leaves available on most models. Gear slides provide smooth operation while maintaining the strength and stability expected from solid hardwood construction.

Chairs

Each chair is constructed using mortise and tenon joinery for lasting durability and structural integrity. Carefully beveled legs sit flush to the floor, while reinforced leg joints provide additional long-term stability.

Super Finish

Oakwood's catalyzed finish system is carefully applied and hand sanded between coats to create a smooth, durable surface designed to withstand years of daily use.

Resistant to:
Water · Vinegar · Lemon Juice · Ketchup · Mustard
Ink · Permanent Marker · Boiling Water

10 YEAR WARRANTY

Oakwood Industries, LLC furniture (excluding fabric) is warranted for a period of ten years from the date of purchase, during active business of Oakwood Industries, LLC. We will repair or replace, without charge, any defects due to faulty materials or workmanship. Customer must return faulty product, with original invoice, to dealership where purchased.

FURNITURE CARE

The following is a list of recommendations to ensure your Oakwood furniture stays in the best condition possible for many years to come.

- Use a clean dishcloth with mild detergent.
- If you choose to polish or wax your furniture use only high quality products, preferably without silicone. Do not pour directly onto furniture, apply to cloth first.
- Sharp objects and some place settings that are rough on the bottom edge can scratch a table top. Use placemats or a tablecloth to prevent major scratching, slight scratches will not harm the durability of the table.
- Avoid placing furniture directly in front of heat sources.
- Leaves unused for long periods of time may not exactly match a table top that has been exposed to sunlight, daily use and cleaning.
- Consider using a humidifier and an air conditioner to keep your home’s relative humidity between 30-50%.
- Solid wood will always seek a balance with its surroundings. In the home, it loses moisture to extremely dry air and contracts. As a result, table top halves may part slightly. Conversely, when humidity is high, wood absorbs moisture from the air and expands slightly. In either case it regains its original dimensions as humidity stabilizes. However, even after years of adapting to humidity cycles, solid wood will retain all the sturdiness and good looks it had the day it was made.

MORE DETAILS THAT MATTER

EZ Glide Leaf Storage

EZ Glide Leaf Storage: Stationary base design allows the tabletop to slide open while the base remains fixed. Steel cable-driven slides provide smooth opening and closing, while magnets securely latch the table halves and leaves into place. The EZ Glide mechanism makes expanding and storing the table quick and effortless for everyday use and entertaining.

Design Your Dining Set

Tailor your dining experience with a chair style that fits your home and lifestyle. Oakwood offers a wide selection of dining chairs designed to complement each collection while providing lasting comfort and everyday durability. See pages 31-45 for all available chair styles.
